Gurla, Vizianagaram District, Andhra Pradesh

## ROLE

SOC Analyst

## SUMMARY

Computer Science Engineering student with a strong passion for Cybersecurity and Security Operations. Possesses foundational knowledge in network security, Linux, threat detection, phishing detection, log analysis, and incident response. Proven problem-solving and analytical abilities demonstrated through hands-on project experience. Eager to contribute and grow as a SOC Analyst in an entry-level role.

## WORK EXPERIENCE

**Google Student Ambassador | 2026**

- Facilitated technology workshops, encouraging student engagement with cutting-edge tech.
- Drove a significant increase in technical program participation via targeted outreach and communication.
- Collaborated with diverse teams to execute successful events and impactful learning initiatives.
- Elevated student understanding of AI and emerging technologies, promoting new educational avenues.
- Developed strong leadership, communication, teamwork, and event coordination capabilities.

## EDUCATION

**Bachelor of Technology (B.Tech) – Computer Science and Engineering**
Lendi Institute of Engineering & Technology
**Currently Pursuing**

**Intermediate – MPC**
Sri Chaitanya Junior College, Vizianagaram
**97%**

**Secondary School Certificate (SSC)**
Sri Viswambhara Vidhya Peeth, Nellimarla
**87%**

## KEY SKILLS

**Cybersecurity:** Cybersecurity Fundamentals, Security Monitoring, Threat Detection, Phishing Detection, Incident Response, Vulnerability Analysis

**Networking:** TCP/IP, DNS, HTTP/HTTPS, OSI Model, Network Security

**Security Tools:** Wireshark, Nmap, SIEM Fundamentals, Log Analysis

**Operating Systems:** Linux, Windows

**Programming:** Python, C

**Web & Database:** HTML, CSS, JavaScript, MongoDB

**Soft Skills:** Analytical Thinking, Problem Solving, Communication, Teamwork, Adaptability

## LANGUAGES

- **Telugu** — Native
- **Hindi** — Fluent
- **English** — Professional Working Proficiency

## HONORS

- **Ranked in the Top 100** in the **IEEE 24-Hour Coding Challenge**, demonstrating strong programming, analytical thinking, and problem-solving skills.
- **Participated in the LNIT Summit 72-Hour Hackathon**, collaborating with a team to develop and present a technical solution within a limited timeframe.
- **Selected as a Google Student Ambassador – 2026**, contributing to technology-focused activities, workshops, and student engagement initiatives.
